

## I-TELL-YOU

for learners in grades K - 2

### My Identity

1.) Close your eyes.

What makes you happiest about being (Jewish, a student at this school, part of this community – Something connected to a specific identity or community)? Is it the food you get to eat at holidays, your friends, your teacher, etc.?

2.) Open your eyes.

Draw a picture of what you just saw.

Or

Get into a shape with your body that depicts what you saw.

3.) Close your eyes.

What makes you happiest about being in this country?

Is it the national holidays we celebrate together?

Is it the diversity and all the kinds of people you see?

Is it your friends or your teachers? (The students might have the same answers as above, which is interesting to note.)

4.) Open your eyes.

Draw a picture of what you just saw.

Or

Get into a shape with your body that that depicts what you saw.

Or

Draw a picture/get into a shape about how it made you feel (warm, comfortable, like I wanted to laugh, etc.)

5.) Let's talk about it!
